BOYCOTT TO SAVE THE SOUL OF KOLOA

• Whereas the signature feature of the Old Koloa Town is its Monkeypod trees.
• Whereas developer's plan was approved only because of a technicality in missing the deadline for notice of denial.
• Whereas the Community has repeatedly reached to the developer order to spare the Monkeypod trees, without a response.

We of the community of Kauai urge local residents and visitors to refrain from buying from the following retail stores who will occupy the coming plaza until the developer works out a compromise regarding the destructin of trees:

Foodland family of stores, Malama Markets, Starwood Timeshares, ABC Markets, Jim Saylor Jewelers, American Savings Bank
