

Join the boycott at Foodland

Waipouli - Friday 4/4 at 5-6:30pm

To clear the record, we ask of CEO Jenai Sullivan Wall of Foodland:

1. Go public with a statement of regret for the destruction of so many trees in Koloa.
2. Publicly request the Knudsen Trust to spare remaining mature trees on plaza site.
3. Ask that subsequent trimming, or pruning be done by community approved arborist with the purpose of the survival and health of the trees affected.
